Application form for StudiTUM-groups

Accredited university groups can apply here to be supported as a StudiTUM group. As part of the support, you will receive a storage container in one of the StudiTUM houses, as well as room booking rights in all StudiTUM houses at TUM. The funding period is valid from 01 April for one year at a time. Application is possible annually in the period February/March and will be publicly announced (https://www.sv.tum.de/engagier-dich/hochschulgruppen/).

Further information on the procedure: Procedure for selection as a StudiTUM group.

The terms of use of the StudiTUM houses apply. These must be accepted on TUMonline for activation of the locking cards (Business Card → Services → StudiTUM).

The application is completed with the upload of the Commitment Form, which requires an advocate at TUM.

The application is open from 08.02.-17.03.2021, for the funding period April 2021 to March 2022. This year the actual period will be shifted backwards (May/June) depending on the opening of StudiTUM houses.
