Personal business card

- Contact details & Foto
- Access applications
- Master Data (Application „Student Files“)

Orientation days 2016 - TUMonline
It is very important that you set up a TUM E-Mail address and select your mailbox, because you receive important information via this address.

- "Nur Weiterleitung" means forwarding e-mail address.
- We recommend to use the TUM mailbox (Exchange).

Orientation days 2016 - TUMonline
Exchange mailbox

- You can access your TUM mailbox via TUMonline ("TUM Mailbox (exchange)") or via https://mail.tum.de/
- You can login with your TUM ID and your personal password

We recommend using your Exchange Mailbox because:
- You can use it everywhere (Notebook, Smartphone, ...)
- The TUM e-mail addressbook is available
- Calendar option for you and your fellow students
Personal storage (NAS)

- Personal storage up to 50 GB
- Embedded network device (PC, notebook,..)
- Or enter the storage via TUMonline
- Or via Webdisk https://webdisk.mwn.de
- You need your TUM ID and your personal password
Course documents

- Enrollment certificate
- Written confirmation for MVV and Deutsche Bahn
- Study progress certificate
- Confirmation about payment
Fee account

- Amounts paid and outstanding
- Deadlines
- Information on bank transfers
Study schedule

- Course tree via „study status/curriculum“
- Including all modules, courses and exams of the study programme
- Registration for courses and exams
Semester plan/timetable

- Schedule view of all courses for the selected recommended semester
- All group courses
- Personal schedule with your own courses -> your personal schedule (first you have to register for the courses!)

Orientation days 2016 - TUMonline
Course registration

- We recommend the registration via „Study Status/Curriculum“
- Choose course in the course tree
- Register via detailed view or directly via the registration button

Orientation days 2016 - TUMonline
Exam registration

- We recommend the registration via „Study Status/Curriculum“
- Choose examination in the course tree
- Registration via
- Register via detailed view or directly via the registration button
- **You always have to register for examinations separately from the course registration**
## Exam results
