Contact form Campus Office

Dear students and prospective students,

Dear lecturers and TUM staff,

Dear inquirers,

the Campus Office Weihenstephan will process your inquiry in different teams according to the topic. Therefore, please specify your request by using the topic preselection. If your topic is not available in the pre-selection, please select "Other". In the free text field, you can describe your specific request.

Since not all topics are relevant for every group of people, we ask you to select the appropriate user group in advance.

For perfect communication, please follow our E-mail Etiquette.
The data collected here will only be used in the context of your inquiry to the Campus Office of the TUM School of Life Sciences.

This includes in particular:

- Processing your inquiry and contacting you in case of questions or with a response
- Access to personal data is only granted to the responsible persons at the Campus Office of the TUM School of Life Sciences

Consequences in the absence of consent:

You have the right not to consent to this declaration - however, since the data in fields marked as mandatory are required for processing an inquiry, we (unfortunately) cannot process your inquiry without your consent.

Your rights:

- a right to disclosure/information
- a right to correction or deletion or to limitation of dissemination or a right to object to the processing of your personal data
- a right to data portability
- in addition, there is a right of appeal to the Bavarian State Commissioner for Data Protection

Consequences of revoking consent:

From receipt of the revocation, your data may not be further processed and will be deleted immediately. The revocation of your consent does not affect the lawfulness of the processing carried out up to that point. Please send the revocation to the address below.
