Register for exams using “Study Status / Curriculum” (recommended)

In this manual we show you how to register for an exam via your curriculum.

1. Open your curriculum
2. Choose your degree program
3. View curriculum
4. Choose the exam
5. Register for an exam

We recommend registering for exams via your curriculum, to make sure the exams are part of your degree program.

1. Open your curriculum

Please log in to TUMonline.

Please click on the application “Study Status / Curriculum”:

2. Choose your degree program

In the next window click on the name of your degree program:
3. View curriculum

In the “Curriculum Support” your curriculum will then be displayed in a tree-like structure (= curriculum tree) including all modules, courses and exams.

4. Choose the exam

In the curriculum choose the exam you wish to register for and click on the green circle icon.
5. Register for an exam

Click on the green icon in the application “Study Status / Curriculum” in order to register for an exam.
